## Chapter News

### Adopting a Safe System Approach to Reducing Crash Injuries and Deaths

Thank you to all who attended the DRIVE SMART Virginia/American Society of Safety Professionals meeting at the Insurance Institute for Highway Safety on April 16.

## Annual Virginia Occupational Safety and Health (VOSH) Update

Thank you to all who joined us for our annual VOSH update meeting on May 23 at Janelia Research Campus with Nicole McCrohan, Regional Health Director, and Jennifer Rose, CSP VOSH Cooperative Programs Director. Your presence and contributions were greatly appreciated

## Volunteer With Us!

If you are interested in volunteering, we have plenty of task force committees and special interest groups to get involved with. For more information, contact [president@nova.assp.org](mailto:president@nova.assp.org)

## Career Center

Located at [jobs.assp.org](https://jobs.assp.org) - members can post a resume, search job openings, set job search alerts, and more.

Companies looking to hire are welcome to post jobs for a fee. Internship postings are free with promo code *Internships*.

## Fulcrum Inspection Management Software

ASSP and Fulcrum, a vendor specializing in field inspection management software, have collaborated to develop a digital inspection management package specifically for ASSP members. This package includes pre-built, customizable inspections based on ASSP standards. Fulcrum promotes established best practices for preventing safety incidents through digitized inspections, automated audit processes, and efficient data collection in minutes. Best of all, the ASSP starter package is provided free of charge to ASSP members!
