

Safety Engineer Opening

Lagan Construction, LLC is a third-generation family-owned general contractor specializing in airfield construction. We have successfully completed airfield projects for Ronald Reagan National Airport, Minot Air Force Base, NASA Wallops Flight Facility, Naval Air Station Whiting Field, Biggs Army Airfield, Joint Base Andrews, Marine Corps Base Quantico, Westover Air Reserve Base, Farmville Regional Airport, and Lonesome Pine Airport.

We have an immediate need for a full-time Safety Engineer for the North Airfield Improvement, Package 2 Project at Ronald Reagan Washington National Airport. The successful candidate will have the following minimum qualifications:

- Five years construction safety experience
- One year of which must be in a safety role on and active airfield (AOA)
- Experience must include hot-mix asphalt paving, concrete work, and excavations
- Must have completed the OSHA Outreach 30-hr Construction course
- Possess a current driver's license with a clean driving record
- Be able to work some night shifts
- Be able to work 10 to 12 hour shifts when required
- Be able to pass a pre-employment drug screen
- Be able to obtain an airport security badge

Preferred candidates will also:

- Possess a certification such as CHST or ASP
- Possess a current OSHA 500 Outreach Instructor card
- Be bilingual in English and Spanish
- Have familiarity with Microsoft Word, PowerPoint, and Excel
- Be familiar with Army Corps of Engineers EM-385-1 and Naval Facilities Command Safety and Health Regulations

Safety Engineer Duties include:

- Conduct daily safety briefings, weekly toolbox talks, and safety training
- Perform and document safety inspections
- Manage site PPE distribution
- Communicate effectively with employees, supervisors, managers, and customers
- Perform incident investigations and write reports
- Recognize hazards and risks, and suggest corrective actions
- Perform and document safety observations

Lagan Construction, LLC offers a competitive salary with bonus eligibility, medical, dental and vision insurance, 401K, 25 days annual leave, travel opportunities to other projects, and use of a company vehicle. The project will go through November 2028. Lagan strives to retain personnel from project to project and will do so when possible.

For immediate consideration send resume to Dan.Souders@laganscg.com. Please ensure your resume clearly shows at least the minimum qualifications mentioned above.
